### EXPERIENCE

#### Bukalapak, UX Designer

Sept 2017 – Present

- Build a design system for BBM Shopping.
- Create icons and illustrations that needed in the website and mobile applications.
- Conduct user research to understand user workflows, define project scope, and create execution plan.

#### Sixty Two Experiences, UI/UX Designer, Contract

May 2017 – Oct 2017

- Assigned to lead redesign a platform for soccer teams in order to look for sparring opponents.
- Defined the workflow and main features of product.
- Prototyped product features to increase usability.

#### uxmarker, UI/UX Designer, Contract

Apr 2017 – Jun 2017

- Designed an application for financial services, digital payment, and eCommerce platform.
- Created conceptual ideas through low/medium fidelity iterations, and then turn them into high fidelity prototypes.
